

## Application tool

### Application range

> Installation tool for sandwich panels and metal sections

### Notice

For proper sidelap stitching the use of two tools per sandwich panel is recommended.

### Side lap acc. to IFBS installation guidelines 8.01

"[...] For the installation of sandwich panels [...] the specified joint spacing has to be maintained in order to ensure sufficient application pressure of the seal strips. [...] Sandwich panel push-on tools have proven to ensure the application pressure of the seal strips. [...]"
